REPUBLICAN STATE TICKET.

For State Treasurer, THOMAS S. RIDGWAY, Of Gallatin. For Superintendent of Public Instruction

WILLIAM B. POWBLL, Of Kano. For Congress, 14th District, JOSEPH G. CANNON

Of Douglas. A READING ROOM.

It certainly affords us pleasure to announce that a reading room association ., as about to be formed in our city. The blan, as we learn, is to sell annual membership tickets at two dollars each, and family tickets at five dollars. It is probable that the association will occupy the rooms of the Ladies' Library, as we understand that the managers of the latter, have tendered the use of the furniture now in the rooms, and also offer to open their valuable reference library, reserving the right to use the rooms on Saturday afternoons and evenings For these privileges the library association asks that the new organization shall pay the rent of the rooms. The plan contemplates the calling together of the ticket holders, when five hundred dollars have been subscribed, for the purpose of organizing and electing offi-

We believe the scheme detailed above to be practical and feasible, and trust that it may be entirely successful .-There is no institution of this character which is needed so badly in Decatur as a reading room. The young mon of our city have no place of good repute, where wholosome influences will surround thom, in which to pass the long hours of the winter evenings Having nog od placo to go to, they naturally get into the habit of visiting such other places as ofter some kind of amusement and thus contract a love for associations and surroundings that are anything but beneficial. The opening of a reading room, where good books and papers can be furnished at a moderate price, will supply this need, and as the enterprise is in every way worthy the countenance and encouragement of all good people we hope to see the plan carried out to a successful termination
